# Island Transportation

## CARS ON NANTUCKET

**Unless it is absolutely necessary, please do not bring your car to Nantucket.** The island is only 14.5 miles long by 3 to 5 miles wide, with most lodging, shops, and restaurants within a mile from the center of town. Our streets are narrow and driving and parking can be difficult, particularly in the summer. Ample parking is available in Hyannis around the boat docks and at the airport. Bicycle, car, and moped rentals, as well as taxis and buses, are available on the island. There are taxi stands at all points of entry to the island, and at the Pacific Club Building on Lower Main Street. Taxi rates are based on mileage, and are higher after 1 a.m., with extra charges for additional passengers and baggage. Both boat lines transport bicycles at an additional charge.

To help you navigate Nantucket's 35-plus miles of bike routes, please look for the color-coded sign system posted around town and along the bike paths. Please consult [www.wheelsheelsandpedals.com](http://www.wheelsheelsandpedals.com) for additional information.

## NRTA Shuttle

The Nantucket Regional Transit Authority operates bus service around much of the island from late May to early October. Service includes Airport, Madaket, Miacomet, Mid-Island, Sconset routes, and Jetties and Surfside Beaches.

For more information about routes, fares, and passes, please call the NRTA at **508 228-7025**

## Nantucket Beaches

Nantucket Island is known for many things, but its beaches are treasured by residents and visitors alike. The island is only 14.5 miles long by 3 to 5 miles wide, with 50 miles of beachfront providing year-round entertainment and usage.

During the summer, beachgoers enjoy swimming, surfing, sunbathing, fishing, and a host of other warm-weather activities. The early fall brings birders, recreational shellfishermen, and those in search of the perfect sunset. As Nantucket settles into winter, the commercial shellfishing season runs from November through March and the harbor occasionally freezes over, leaving the surrounding shoreline snowy and serene. Spring rolls around, welcoming the return of seasonal shorebirds and two-legged beachcombers.

To enjoy Nantucket's beaches with vehicle access, a permit is required and may be purchased at the local police department at 20 South Water Street. Each permit is valid for the calendar year and comes with a Nantucket Beach Map. In addition to a map of vehicle-accessible beaches, the Nantucket Beach Map outlines the island's rules and regulations for proper beach use.

Contrary to popular belief, most of the island's beachfront property is privately owned. Although these property owners have historically and generously allowed public access, strict adherence to beach regulations, respect for private property, and awareness of our individual impact on such a fragile ecosystem will preserve the beauty of Nantucket's beaches for generations to come.

# Accommodations

The properties illustrated and described on pages 13–24 are licensed lodging establishments and members of both the Nantucket Lodging Association (NLA) and the Nantucket Island Chamber of Commerce (NICC). Following the photo entries are listings of additional lodging establishments as well as apartments, cottages, houses, rental agents, and reservation services. Those listed in **boldface** are members of the NLA and those with bullets (•) are members of the NICC. Names in **blue boldface** are those NLA/NICC members with picture ads on pages 13–24. As such, they are licensed by the state of Massachusetts, and subject to state regulations and regular health inspections. Very few Nantucket lodging establishments accept pets. For a list of pet-friendly accommodations, please look for the pet-friendly code (🐕) in listings.

## RESERVATIONS

Early advance reservations will ensure confirmed accommodations, especially in the summer season. However, Nantucket is rarely “sold out,” and spontaneous travelers can often find last-minute bookings. There is no need to bring a car to the island for short-term stays. Most lodging establishments are within easy walking distance of beaches, restaurants, museums, churches, galleries, and shops; some farther out of town provide “jitney” service for their guests. In addition, the Nantucket Regional Transit Authority has numerous shuttle buses to take you to outlying areas of the island, beaches, and shopping.

## MINIMUM STAY

Many establishments have minimum-stay requirements, particularly for weekends and peak season. However, some do accept one-night reservations in advance, and it is often possible to obtain lodging on short notice. The Nantucket Visitor Services and Information Bureau maintains a listing of daily availability, or access

[www.nantucketlodging.org](http://www.nantucketlodging.org) and click on *Check Availability* to review your wide range of choices.

## RATES

The rates listed on pp. 25–27 are, for the most part, peak-season, double-occupancy, and those available at the time of printing. These rates are subject to change and should be confirmed when booking your stay. Many lodging establishments offer off-season and mid-season package rates.

## DEPOSITS & REFUNDS

Because of Nantucket’s unique location, most visitors make precise travel plans and confirm their lodging in advance. If a confirmed reservation is cancelled, it may not be possible to re-book the room. Therefore, our lodging members subscribe to a strict, businesslike deposit/cancellation policy similar to the following:

- For three nights or less, full pre-payment may be required at the time of booking.
- For longer stays, a 50% deposit may be required at the time of booking, with balance due on arrival.
- Deposit (less 10% service fee) *will usually be refunded* if notice of cancellation is received at least 15 days before expected arrival.
- If a cancellation is received less than 15 days prior to arrival, deposit (less 10% service fee) may be refunded if room is re-booked for entire cancelled period.

*Always confirm cancellation and refund policies when making room reservations. The Nantucket Island Chamber of Commerce does not have regulatory authority over these policies.*

Lodging establishments renting four or more rooms must be licensed by the Town of Nantucket. Most of the Chamber's licensed lodging members are also members of the Nantucket Lodging Association. They will usually display the NLA logo in their advertising and literature. Licensed establishments are subject to state and local room-occupancy tax.

### NANTUCKET LODGING ASSOCIATION GROUP RESERVATION POLICY

Lodging establishments often receive requests for group reservations such as weddings, reunions, anniversary celebrations, and groups traveling together. For group reservations, the NLA subscribes to a common practice of guaranteed, pre-paid, advance group reservations.

In order to provide assurance to both the lodging facilities and parties booking large numbers of rooms, the following policies apply:

- Full payment is required, with 30-day notice to cancel and a 10% cancellation fee.
- In the event that there is a *shortening or cancellation* of a reservation less than 30 days from the arrival date, the advance payment may be *non-refundable*. Please verify specific policies pertaining to your group reservation with the lodging establishment at the time of booking.
- Group reservations are commonly subject to a service charge.
- Always inquire about specific deposit/cancellation policies, fees, and taxes when booking a reservation.

**NOTE:** Individual room reservations with individual payments are preferred by most inns.

**REMINDER:** Camping is prohibited on Nantucket. A fine of not more than \$200 will be levied against persons pitching a tent for the purpose of sleeping, or sleeping in the open or in any vehicle.
